DICT MISSION

"DICT of the people and for the people."

The Department of Information and Communications Technology commits to:

- Provide every Filipino access to vital ICT infostructure and services
- Ensure sustainable growth of Philippine ICT-enabled industries resulting to creation of more jobs
- Establish a One Digitized Government, One Nation
- Support the administration in fully achieving its goals
- Be the enabler, innovator, achiever, and leader in pushing the country's development and transition towards a world-class digital economy

DICT VISION

"An innovative, safe and happy nation that thrives through and is enabled by Information and Communications Technology."

DICT aspires for the Philippines to develop and flourish through innovation and constant development of ICT in the pursuit of a progressive, safe, secured, contented and happy Filipino nation.
