MR. JEIEL F. KILAT

So. Nabugsuan, Bgy. Panitian
Quezon, Palawan

Sir,

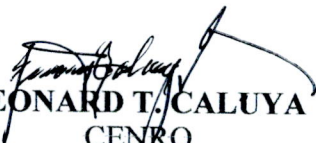

This pertains with your letter dated April 29, 2022 requesting for land status verification of Lot No. 1156, CAD 798-D, Extension located at So. Nabugsuan, Bgy. Panitian, Quezon, Palawan or the application of Miscellaneous Lease Agreement.

Please be informed that based on the inspection/verification conducted on May 11, 2022 by the personnel of this Office, it was found out that there are cottages and other structures already built within the foreshore area fronting Lot No. 1156 without permit, lease or lease agreement issued by this Office, hence it is in violation of Article 91-B Nos. 3 and 5 of PD 1067 or the Water Code of the Philippines and PD 1586 which stated the Philippine Environmental Impact Statement System. A proponent or owner of such kind of establishment must secure first from the Environmental Management Bureau (EMB) an approved Environmental Compliance Certificate (ECC) prior to occupancy and introduction of development within a foreshore area.

In this regard, you are hereby directed to explain within seven (7) days upon receipt hereof why no sanctions must be imposed against you for constructing structures within foreshore area without legal permit or any documents issued to you by the DENR and clearance from other concerned agencies such as the LGU of Quezon, Palawan and Barangay Panitian, Quezon, Palawan.

We trust that you are properly informed.

Very truly yours,

LEONARD T. CALUYA
