*Re:*              *Letter of Intent to Apply for Special Land Use Permit*

X-----X

Dear **CENRO Caluya**:

DMCI Power Corporation intends to apply for Special Land Use Permit (SLUP) for the development of its Interconnection Facility Project consisting of: (1) 69kV Switchyard; (2) Access Road to Switchyard; and (3) 69kV Transmission Line.

The proposed project site is located in Brgy. Bato-Bato, Narra, Palawan with combined area of approximately 5,900 square meters specifically situated within the following lots:

Project Site Area	Corner	Latitude (N)	Longitude (E)
<b>LOT 1</b> CSC No. 0427011416/034493	1	9° 11' 06.10"	118° 15' 17.40"
	2	9° 11' 12.30"	118° 15' 14.30"
	3	9° 11' 15.40"	118° 15' 18.30"
	4	9° 11' 06.80"	118° 15' 20.50"
<b>LOT 2</b> CSC No. 042701525	1	9° 11' 06.10"	118° 15' 17.50"
	2	9° 11' 08.10"	118° 15' 20.30"
	3	9° 10' 59.20"	118° 15' 19.60"
	4	9° 11' 02.50"	118° 15' 22.10"
<b>LOT 3</b>	1	9° 10' 57.05"	118° 15' 20.30"

TCT No. 19201	2	9° 10' 59.20"	118° 15' 19.60"
	3	9° 11' 02.73"	118° 15' 22.29"
	4	9° 11' 59.15"	118° 15' 23.81"

The project site is classified within the TIMBERLAND/FORESTLAND as per Project 10-E, Block No. B of Land Classification No. 1952 and Project 10-H, of Land Classification No. 1742.

Enclosed are the following documents relative to DPC's application:

- 1) Duly accomplished SLUP Application Form;
- 2) Map of the area applied for;
- 3) Certified Copy of SEC Registration Certificate and AOI;
- 4) Secretary's Certificate designating the authorized representative;
- 5) Indicative Management Plan;
- 6) Certificate of Non-Coverage;
- 7) Certificate of Non-Overlap
- 8) SEP Clearance;
- 9) Proof of Financial Capability; and
- 10) LGU Endorsement

More importantly, the Office of the President thru the Department of Energy certified this project as an **Energy Project of National Significance**. The interconnection facility must be available prior to power plant's commercial operation.

Should you require additional information pertaining to this application, you may contact Atty. Amapola M. Bulusan at mobile no. +63917 1237776 or at [ambulusan@dmcipower.com](mailto:ambulusan@dmcipower.com), and/or Mr. Rey Martiniano H. Centeno at mobile no. +632929 4139412 or at [rhcenteno@dmcipower.com](mailto:rhcenteno@dmcipower.com).

Thank you.

Very truly yours,

**LOIDES C. CASTRO**
