RESOLUTION NO. 2015- 2482

A RESOLUTION ENDORSING THE ESTABLISHMENT AND OPERATION OF A 1 x 15MW CIRCULATING FLUIDIZED BED COMBUSTION COAL POWER PLANT PROPOSED BY ITS PROPONENT DMCI POWER CORPORATION IN BARANGAY BATO-BATO (SAN ISIDRO) MUNICIPALITY OF NARRA, PROVINCE OF PALAWAN

Authorized by:

All Sangguniang Bayan Members

Whereas, Republic Act No. 7160 otherwise known as the "Local Government Code of 1991" Sec. 16 – General Welfare states that "Every local government unit shall exercise the powers expressly granted, those necessarily implied there from, as well as powers necessary, appropriate, or incidental for its efficient and effective governance, and those which are essential to the promotion of the general welfare..."

Whereas, DMCI Power Corporation (DPC) is one of the major power providers in the province of Palawan with an existing Power Purchase Agreement (PPA) with PALECO since it began its operation of a Diesel-Fired Power Plant located in Barangay Irawan, City of Puerto Princesa, Palawan Province last December 2012.

Whereas, to satisfy the increasing power requirements of the province, and to provide a sustainable, reliable, and affordable source of energy, DPC proposes to build a new 1x 15MW Circulating Fluidized Bed Combustion (CFBC) Coal Power Plant in Palawan, as commitment in its winning bid during the Competitive Selection Process conducted by Palawan Electric Cooperative on July 2012;

Whereas, DMCI Power Corporation (DPC) thru a letter dated January 5, 2015 requested for the endorsement of the project in the same time also proposed that the coal power plant be constructed at Barangay Bato-Bato (San Isidro), Municipality of Narra, Province of Palawan, which is already classified as an industrial area;

Whereas, Barangay Bato-Bato (San Isidro) through Sangguniang Barangay Resolution No. 07 s'2015 likewise approved and endorsed the proposed Project;

Whereas, the Municipality of Narra as the host municipality will benefit from the project not only thru the power it will provide but will also generate employment and revenue for the Municipality as host municipality as provided for by Department of Energy (DOE) Energy Regulations 1-94, Republic Act 7160 and other local ordinances;

Whereas, the Municipal Government is in unison with the Provincial Government's quest for dependable energy source for the Province of Palawan to enhance power productivity;

Whereas, the DMCI is committed to build a power plant that is Biomass ready for future transition into renewable energy to which the primary source for such will be through available local resources;

Whereas, after thorough review of the project proposal of the DMCI Power Corporation with public consultation conducted, the Sangguniang Bayan found the said proposal to be in order and beneficial to the constituents of this Municipality, therefore interposes no objection to its establishment, development and operation of 1 X 15MW Circulating Fluidized Bed Combustion (CFBC) Coal Power Plant provided that it complies with existing environment laws, rules and regulations, and in terms of environmental protection and people's safety;

Now therefore, unanimously motioned and duly seconded en mass, be it;

Resolved, as it is hereby resolved to pass **"A RESOLUTION ENDORSING THE ESTABLISHMENT AND OPERATION OF A 1 x 15MW CIRCULATING FLUIDIZED BED COMBUSTION COAL POWER PLANT PROPOSED BY ITS PROPONENT DMCI POWER CORPORATION IN BARANGAY BATO-BATO (SAN ISIDRO) MUNICIPALITY OF NARRA, PROVINCE OF PALAWAN"**

Resolved further, that other requirements from barangay and municipal level shall be complied with such as but not limited to zoning regulation, reclassification (if necessary), building permit and any other requirements as mandated by the 'existing Municipal Ordinances;

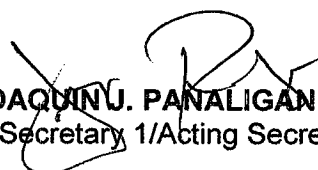

Resolved furthermore, that the DMCI Power Corporation shall furnish the Sangguniang Bayan of Narra all pertinent document regarding the establishment, development and operation of 1 X 15MW Circulating Fluidized Bed Combustion Coal Power Plant such as but not limited to: approved endorsements from higher authorities (SEP Clearance, ECC, etc.), scoping results related to health and environmental concerns, proposed mitigating measures related to social and environmental concerns, among others that may be considered significant;

Resolved finally, that copies of this resolution will be immediately forwarded to the following offices, to wit:

1. **The Department of Energy**
DOE Building, Merrit Ave., Bonifacio Global City
Taguig City
2. **Hon. Jose Chaves Alvarez**
Provincial Governor of Palawan
Capitol Building, PPC
3. **SangguniangPanlalawigan of Palawan**
Legislative Bldg., Capitol Complex, PPC
4. **Office of the Municipal Mayor**
Municipal Government of Narra
5. **ECAN Board**
Municipality of Narra, Palawan
6. **Palawan Council for Sustainable Development (PCSD)**
Puerto Princesa City
7. **Mr. Nestor D. Dadvias**
President, DMCI Power Corporation
Don Chino Roces Ave., Makati, Philippines
8. **File**

APPROVED: April 29, 2015
=====

I HEREBY CERTIFY to the correctness of the foregoing **RESOLUTION** which was adopted by the Sangguniang Bayan during their Regular Session, held on **April 29, 2015.**
