MEMORANDUM

FOR : The PENR Officer

FROM : The CENR Officer

**SUBJECT : REQUEST FOR LC CONFIRMATION INVOLVING LOT 163 OF
PLS 232 IN BGY. IV, ROXAS, PALAWAN PART OF WHICH IS
PROPOSED FOR SURVEY IN FAVOR OF REYNALDO ZAPANTA**

First transmitted to that Office in September 2021, our request subject hereof was returned in November 2021 with special instruction to provide that Office with the approved coordinates of BLLM No. 1 of PLS 232. Owing to the observation that several like requests got returned for the same requirement despite having furnished that Office with the reference sheet kept on our file, we instead filed a request with the Regional Office for certified copy of all survey references within its administrative jurisdiction.

Soon however as LC findings involving resultant lots of the same public land subdivision (PLS 232, that is) begin getting confirmed, a complete set of the herein concern was emailed to that Office on 10 March 2022. The same was today checked and found duly sent not only to the PENRO but the Office of the ARDTS, the SMD, and to Engr. Donna Belle Luengo.

For retrieval from the inbox please and consideration.
