MEMORANDUM

FOR : The Regional Executive Director
DENR MIMAROPA Region

THRU : The Assistant Regional Director for Management Services

FROM : The OIC-PENR Officer

**SUBJECT : JUSTIFICATION ON THE PROCUREMENT OF ONE (1)
FOUR-WHEELED VEHICLE FOR OFFICIAL USE OF
PROTECTED AREA MANAGEMENT OFFICE (PAMO).**

In support to the intensification of the protection activities within the administrative jurisdiction of PENRO Marinduque specifically Marinduque Wildlife Sanctuary (MWS) and to immediately act on report of illegal activities and to efficiently conduct regular monitoring of patrol sector and conservation area, a four-wheeled vehicle is proposed to be included in CY 2023 Work and Financial Plan for procurement.

Listed below are the reason and uses of the four-wheeled vehicle, to wit;

1. To immediately respond to any report of illegal activities within protected area considering that DENR PENRO-PAMO is the primary government agency tasked to implement ENIPAS Act and other ENR laws and policies, thus an accessible and readily available service vehicle is needed;
2. Regular monitoring in the patrol sectors and conservation area particularly the remote barangays under Marinduque Wildlife Sanctuary (MWS) are challenge to our field personnel due to some rough road conditions. With the use of this proposed vehicle, our field personnel can conduct the necessary patrolling and/or information dissemination in the said area regularly;
3. The four-wheeled vehicle will also be used for compliance monitoring and performance evaluation of PACBRMA/CBFM and other tenurial instrument within MWS including monitoring of related activities of the Protected Area Management Office;
4. It will serve as service vehicle for PAMO Staff/Personnel and PAMB members in attending meetings/seminars/workshops; and
5. It is necessary for ecotourism activities of MWS.

For consideration and approval.
