**TO : MIMAROPA Regional and Provincial Government Agencies, Local Government Units, Academes, Government-owned and Controlled Corporations (GOCC), Non-governmental organizations (NGO) and Other Stakeholders**

**Dear Sir/Madam:**

*Greetings from the Department of Information and Communications Technology – Region IV-B (Mimaropa)!*

With the theme “**Spark, Strengthen, Sustain: Advancing the PH Digital Agenda**”, the Department of Information and Communications Technology (DICT) highlights the potential and role of Information and Communications Technology (ICT) in boosting our national economy. Through Proclamation No. 1521, series of 2008, the month of June every year is declared as the National ICT Month, and this year, the DICT focuses on digital transformation and ICT development in the country which are required to be sustained by capable hands equipped with the proper fuel and environment to nourish it.

In relation to this, the **DICT Region IV-B** is set to hold activities aimed to promote digital literacy, ICT expertise, and knowledge-building among citizens to enable them to participate and compete effectively, as well as to encourage the use of ICT for the development and promotion of the country’s digital economy. This shall be a call to explore and learn about various futures in technology development that could benefit our vision of a connected and digital future.

As part of the celebration, may we respectfully enjoin your esteemed office to join the DICT by **changing the cover photo of your social media pages or hanging the event banner on your respective offices** for the entire month. You may edit the poster and insert your agency/organization logo to reflect your participation on the event, as together, we pursue better strategies for faster national digital transformation.

To know more about our upcoming events, like and follow our official Facebook page **@dictr4b**. We will likewise greatly appreciate if you can tag us on your social media postings in accordance with the National ICT Month.

**Thank you very much and let us have a productive National ICT Month 2022!**

Best regards and stay safe,

For

**CHERYL C. ORTEGA**

Regional Director

DICT Regions IV-A and IV-B
