Dear RED Claudio,

Greetings,

The first SIBOL ITWG meeting was held on April 11, 2022, at Novotel, Quezon City that were attended by the members representing different government agencies and DENR. One of the suggestions that came out during the meeting is to hold the first Regional Project Management Committee (RPMC) meeting. On March 17, 2022, SIBOL received your signed SO No. 058 creating the RPMC and FPMU. In relation to this, may I ask your preferred schedule (preferably after National election) when to convene the first SIBOL RPMC meeting so we can include this in our plan for this quarter.

Please let us know for us to assist you/your office on this matter.

Best,

Joy
