Dear Director Claudio,

Isang malinis at luntiang Pilipinas!

On behalf of the Scientific Committee, I am honored to invite you to ***Be part of the solution!*** and participate at **Waste No More 2022** this coming December 1-2, 2022 at PTTC, Pasay City.

Our waste crisis is everyone's problem, not just the government's nor can they solve this on their own without the cooperation from everybody.

Let us come together and ***Be part of the solution!*** Your current research, projects, case studies, best practices and technologies, and corporate social responsibility initiatives are invaluable for others to benchmark.

Kindly find the attached invitation letter for your consideration.

We look forward to receiving your abstract/s and welcoming you as a Presenter at **Waste No More 2022**.

Respectfully,
Grace Garcia
Conference Director
