Greetings of Peace!

Good day, ma'am. We are 4th year BS Chemical Engineering Students of the Batangas State University-The National Engineering University (Alangilan Campus) and we're currently taking a Plant Design Feasibility Study. We are requesting to gather data on the following:

1. Distribution of Rough Horsetail Plant in the Philippines (Per Region)
2. Distribution of Rough Horsetail Plant in the MIMAROPA Region

We are hoping for your kind response regarding this matter. Thank you and Godbless.
