Earthday Jam Foundation, Inc., in partnership with the DENR Climate Change Service, is conducting a nationwide **Sining-Likhasan Short Film Competition** with the theme, "Mga Kwento ng Katatagan at Pag-Angkop sa Mukha ng Pabago-Bagong Klima" (Stories of Resilience and Adaptation in the Face of Climate Change). This is in support to the celebration of the National Climate Change Consciousness Week from November 19 to 25, 2022. This year's theme is "Sama-sama sa pagtugon sa hamon ng nagbabagong klima."

Video shoot of the said awarding of the competition will be held at the Tanghalang Aurelio(Manuel Conde), Art Shop, Cultural Center of the Philippines, Manila on November 17, 2022, Thursday, from 2:00 PM to 6:00 PM. To assist us in the production as members of the audience, we would like to invite five (5) of your staff members to be with us. Your staff members will get a glimpse of selected film entries that had been submitted from different parts of the country. They will also get to witness some of the environmental special numbers to be presented from selected artists.

Kindly fill out the attached [Confirmation Slip](#) for staff members that will come from your office. Please send the same to us by noon of November 16, 2022. For any questions and clarifications, your assistant may contact Ronnel Andrew M. Noprada of the DENR CCS, via email ccs@denr.gov.ph and numbers 8928-1194.

Thank you very much.
