Good day!

In lieu of the upcoming ADR Day which would award the Top Best ADRO and PADRO for 2022, the ADR Committee Secretariat has already selected the shortlisted nominees for the award. Data such as the total number of cases referred for ADR, the number of ADR procedures held, the number of cases with successful ADR proceedings, and the number of cases issued with an Order of Compromise or Settlement Agreement were used to create the shortlist.

In this regard, the ADR Secretariat would be conducting an interview to validate the documents you have submitted. Please see the attached memorandum for your interview schedule, which will be conducted either in person or via Zoom.

For the regions that would be interviewed through Zoom, the link is provided below:
