SUBJECT : INVITATION TO SERVE AS PANELIST DURING THE RE-ENTRY ACTION PLANS (REAPs) PRESENTATION OF THE ENVIRONMENT AND NATURAL RESOURCES (ENR) ACADEMY MANAGEMENT COURSE CLASS OF 2022

The Human Resource Development Service (HRDS) through the Training and Development Division (TDD), is conducting the Environment and Natural Resources (ENR) Academy Management Course and currently on its integral part of implementation. The Course generally aims to strengthen and ensure the effective and efficient environmental governance of the country's environment and natural resources.

Further, it also aims to continuously train qualified employees especially frontline managers (incumbent/designated PENROs and/or CENROs) and equip them with the necessary perspectives, experiences, attitude, knowledge and skills (PEAKS). This will not only improve their technical/functional expertise, but will also serve as an opportunity for them to enhance their managerial and leadership competencies, thus making them well-rounded ENR managers who can be trusted with high level decision making.
