Greetings!

Please find the attached file.

This is regarding the Notice to Vacate order dated December 27, 2017 issued by RED DENR for the Acosta vs. Besaga case. The notice was not yet fully implemented due to various undisclosed reasons by the DENR Field Office.

We did a follow up with the Field office and they said they are waiting for the Regional Office order. Upon investigation in the Regional Office, they said it is the Field Office who will implement the said order. We are being pushed back and forth to both offices and thus the Notice to Vacate was not implemented.

We seek your good office for assistance in this matter. Attached are the files we sent to DENR-CENRO Roxas Palawan for the implementation. Instead of implementing they replied to us with the Memorandum also attached.

We urgently need assistance regarding this matter. We have been in this case for almost 20 years already. We can no longer bear to wait another 20 years for the implementation and recovery of our possession. We are willing to fund the implementation as soon as possible.

Hoping for your immediate response.

Thank you.

Luzviminda S. Acosta
