Dear Director Claudio:

Greetings!

This is in reference to the meeting that we had with you last September 21, 2022 together with our Technical Working Group headed by Honorable SB Ian Astor, wherein we were advised to revise our Sketch Plan and Topography Survey for the area of the applied Gratuitous Special Land Use Permit on the proposed Government Buildings and Facilities.

Attached here with is our revised version from 8.5 hectares to 1.3903 hectares only. Covered area will now only accommodate the proposed Coron Stadium and the remaining hectareage will be for rehabilitation as recommended by DENR-MGB.

Looking forward for your kind consideration and favorable response.

Thank you and more power!

Sincerely yours,
