Dear Sir/Madam:

Greetings!

The U.P. National Center for Transportation Studies (U.P. NCTS) in cooperation with Clean Air Asia will be conducting its **5th** offering of **Emission Inventory for Smaller Cities** through online delivery via zoom. This Course consisting of eight (8) modules is scheduled to run for ten (10) days (4 hours per day) from **November 21, 2022 to December 6, 2022**.

The objectives of the Course are to make the participants: (1) identify the emission sources (point, area, and mobile sources) in their cities; (2) develop an understanding of how computation of emission loading from different sources is conducted; and (3) design a work plan for the establishment of emission inventories in their city.

The Course is open to all qualified personnel from the government and private sectors involved in transportation and related functions. The number of slots is fifty (50) and as such, an early response is suggested. Prospective applicants are expected to make their arrangement for procuring appropriate *per diem* while undergoing the training.

The participation fee for this Course is **Nine Thousand Five Hundred Twenty Pesos Only (PhP9,520.00 inclusive of 12% VAT)** per person.

You may click this link for the online application: https://bit.ly/EISC5_ApplicationForm

Deadline of registration is on **November 20, 2022**.

Attached is the tentative schedule of activities for your reference.

Please feel free to contact us for further inquiries at upncts.training.upd@up.edu.ph (Engr. Sheila Flor D. Javier/ Mr. Jerome N. Ballarta/ Ms. Roselle Halabaso / Ms. Nery M. Bravo).

Thank you for your attention and we look forward to your favorable response.

Very truly yours,

Nery Bravo
