**Dear Sir/ Madam:**

*Greetings from the Department of Information and Communications Technology Region IV!*

The ICT Literacy and Competency Development Bureau (ILCDB) of the Department of Information and Communications Technology (DICT) – Regions IV-A and IV-B in collaboration with the National Privacy Commission, will be conducting a **Data Protection Officers Accountability Compliance and Ethics (DPO ACE) Level 1 Training Program** on **October 18, 2022** from **9:00 A.M. to 4:00 P.M.** via Zoom.

This DPO ACE Level 1 Training and certification program aims to further accelerate the capabilities of registered and aspiring Data Protection Officers (DPOs) by capacitating them with the relevant privacy and data protection knowledge and skills necessary to manage effectively in a risk-based and comprehensive manner the compliance of their organizations to the Data Privacy Act of 2012. This training also responds to the needs of DPOs to raise their level of competency and understanding as well as to establish a pool of personnel equipped with skills at par with global standards in data privacy and protection.

In this regard, may we invite five (5) personnel from your office to join us in this free-of-charge **DPO ACE Level 1 Training Program**. To maximize the training offering, may we request that the designated representatives are the assigned Data Protection Officer (DPO), Personal Information Controller (PIC) or Personal Information Processor (PIP) of your agency/institution. Participants are requested to fill out the registration link via <https://bit.ly/DPORegion4> on or before **October 14, 2022**.
