MEMORANDUM

FOR : The Regional Executive Director
DENR MIMAROPA

ATTN : The Officer-In-Charge
PENRO Marinduque

FROM : The Director

SUBJECT : **REQUESTS AND RECOMMENDATIONS IN THE ENHANCED
FORESTRY INFORMATION SYSTEM (eFIS)**

DATE : **OCT 10 2022**

This has reference to your Memorandum dated 21 September 2022 requesting and recommending some updates and additional features of the Enhanced Forestry Information System (eFIS). We appreciate your effort and feedback to further improve the System.

In regard to this, we are pleased to present our response to your listed requests and recommendations, to wit:

REQUESTS AND RECOMMENDATIONS	RESPONSE
1. The inputted actual area should be visible and not be rounded off in the Certificate/Permit Area (ha) field since there were applied permits with area below 0.0000 hectare.	The area field of the eFIS is designed to accept at least 1 square meter or 0.0001 hectare which is more than enough to record backyard tree plantations.
2. The position title Regional Director (RD) be replaced to Regional Executive Director (RED).	This recommendation has been incorporated last 03 October 2022.
3. Dao tree and other species are not in the list of species in eFIS.	<p>Noted on this, we will be including the Dao Tree (<i>Dracontomelon dao</i> (Blanco) Merr. & Rolfe) in the eFIS database.</p> <p>For other species/ additional species, we would like to request an endorsement by the Regional Office to FMB indicating the list of species to be added with corresponding Local, Common and Scientific Names.</p>

<p>4. The System should be able to generate other necessary reports such as, but not limited to the following:</p> <ul style="list-style-type: none"> a. Report of all encoded tenurial instruments with and without uploaded agreements and maps; and b. Monitoring reports of all encoded tenurial instruments. 	<p>Both reporting requirements will be considered in the next updating of the System.</p>
---	---

For any concerns and clarification regarding the implementation of the eFIS you may coordinate with the Knowledge Information System Section of FPPKMD (FPPKMD-KISS) through fppkmd.kiss@fmb.denr.gov.ph.

FOR YOUR INFORMATION AND CONSIDERATION, PLEASE.

PENRO Marinduque

September 21, 2022

FOR : The Director
Forest Management Bureau

THRU : The Regional Executive Director
DENR MIMAROPA Region

ATTENTION : The Enhanced Forest Information System (eFIS) Focal

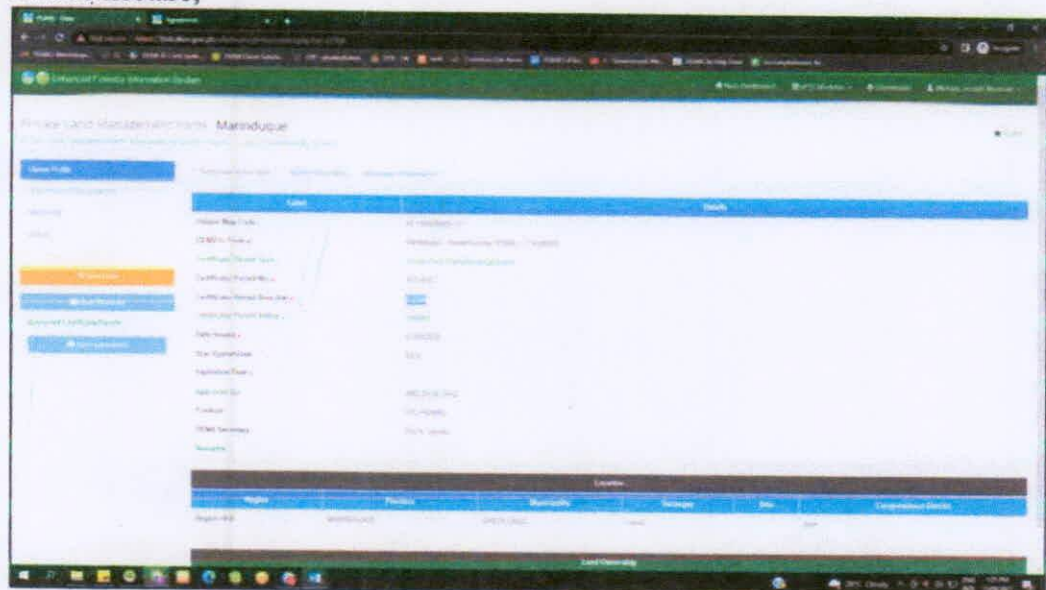

FROM : The OIC – PENR Officer

SUBJECT : **REQUESTS AND RECOMMENDATIONS IN THE
ENHANCED FOREST INFORMATION SYSTEM (EFIS)**

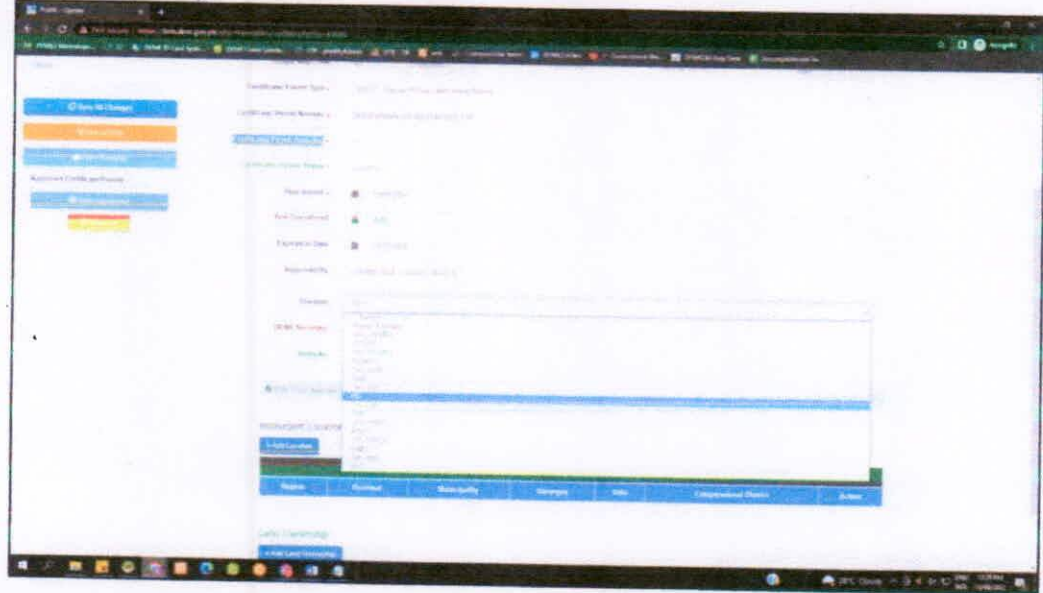

In line with the implementation of the Enhanced Forest Information System (eFIS), this Office would like to request and recommends the following:

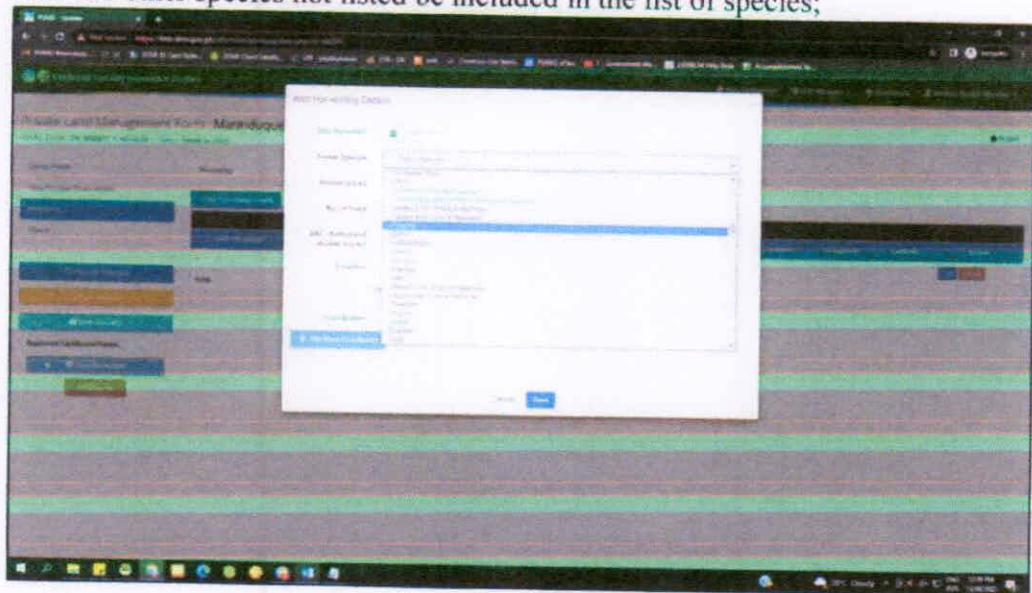

1. The inputted actual area should be visible and not be rounded off in the Certificate/ Permit Area (ha) field since there were applied permit with area below 0.0000 hectare;

2. The position title Regional Director (RD) be replaced to Regional Executive Director (RED);

3. Dao and other species not listed be included in the list of species;

4. The system should be able to generate other necessary reports such as, but not limited to the following:
- Report of all encoded tenurial instruments with and without uploaded agreements and maps; and
 - Monitoring reports of all encoded tenurial instruments.

For information and favorable response.
