Dear All,

In line with the discussion during the High-Level Policy Consultation on Biodiversity Conservation held in August 2022 and pursuant to the instruction of the Undersecretary for Policy, Planning and International Affairs to make sure that policies and programs involve consultation with stakeholders in view of the Secretary's directive to ensure the readiness of the policy prior to submission to the Office of the Secretary, we are pleased to inform you that the Biodiversity Management Bureau will be conducting **series of face-to-face Consultation Workshops for the draft policies related to Special Use Agreement in Protected Areas (SAPA) and Memorandum of Agreements (MOA), and updating of the National Ecotourism Strategy and Action Plan (NESAP).**

The said Consultation Workshops will be participated in by the Protected Area Superintendents (PASus) of the legislated protected areas and the respective Chief (or representative) of the Conservation and Development Division (CDD) of the Regional Offices, to be in clusters on the following dates and venues:
