Science Research Specialist II

Dear **Director Claudio**:

*Greetings from the National Nutrition Council – MIMAROPA Region!*

The NNC MIMAROPA will conduct a Regional Bantay Asin Task Force Program Implementation Review which primarily aims to reinforce and retool the regional and sub-regional stakeholders to become effective and efficient in implementing the National Salt Iodization Program (NSIP) under Republic Act No. 8172 or ASIN Law. Among the primary agenda/s of the workshop are as follows:

1. Determine progress in implementation of local government units and Regional Bantay Asin Task Force member agencies for the first three (3) quarters of 2022 by evaluating inputs, outputs, and outcomes to determine the likelihood of achieving specified targets
2. Identify challenges encountered that hindered program implementation and attainment of outcome targets

In line with these, we are respectfully inviting **Ms. Yoo or her representative** to this important activity on **21-22 November 2022**, within Metro Manila to present updates on the regional or provincial implementation of salt-related activities or program in your agency. **Board and lodging** will be shouldered by NNC. Attached is the Program of Activity for your reference.

We will inform the confirmed participants of the exact venue once finalized.

Our staff, Ms. Jhanna Camela C. Torres, Development Management Officer II (PNFP) with mobile number 0997 974 1186 and email address [nncmimaropa@gmail.com](mailto:nncmimaropa@gmail.com) will closely coordinate with your office regarding this matter.

Thank you very much and we hope to see your support in our endeavor.

Very yours truly,

**MA. EILEEN B. BLANCO, RND, MPA**  
Regional Nutrition Program Coordinator  
National Nutrition Council MIMAROPA
