SUBJECT : **CONDUCT OF A STRATEGIC PLANNING AND LEVELLING  
OFF WORKSHOP FOR THE WEST PHILIPPINE SEA AND  
KALAYAAN ISLAND GROUP THIS OCTOBER 27-29, 2022**

DATE :

---

With reference to the recently completed Protected Area Suitability Assessment (PASA) for the proposed Eastern Kalayaan Protected Landscape and Seascape (EKPLS) and Pag-asa Islands Protected Landscape and Seascape (PIPLS), may we respectfully invite you to a **Strategic Planning and Levelling Off Workshop for the Kalayaan Island Group (KIG), West Philippine Sea, this coming October 27-29, 2022, in Puerto Princesa City, Palawan (venue to be determined)**. This will be conducted right after the completion of the Coastal Resource Assessment/Monitoring of Snake Island, scheduled on the same week, in order to maximize the availability and presence of concerned pax in Puerto Princesa City on the specified date.

Attached is the travel advisory (provisional program, target and number of participants per Office) for the Workshop. Please feel free to contact Mr. Joaquin Silvestre of the Coastal and Marine Division ([cmd@bmb.gov.ph](mailto:cmd@bmb.gov.ph) / [joaqui.silvestre@gmail.com](mailto:joaqui.silvestre@gmail.com)) for further queries/information, and/or to confirm your attendance.

For your information and consideration.
