Good Afternoon, Sir!

Attached are the pertinent documents for the event on Wednesday for your reference.
The event will be conducted in Red Hotel, Cubao.

Since our RED and ARDMS will be participating, can I have po yung speaker's profile?

Thank you so much.

<mes.pmdmimaropa@gmail.com> wrote:
Greetings!

I hope this e-mail finds you well. This is relative to the meeting hosted by your Office last April 2022 regarding Levelling Off on the additional budget for the regional offices on the conduct of special studies, design development in support of forestry, mining, and environmental management operations including climate change resilience, and FASPS activity under "Project proposal preparation and review". On behalf of the DENR-MIMAROPA Region, may we request a resource speaker to discuss the project proposal's guidelines and procedures thoroughly?

The said event will probably be conducted around September to October 2022, depending on the availability of the resource speaker from your Office. The target participants of this event will be the FASPS focal of our field offices.

Should you have further concerns and clarifications, please do not hesitate to send an e-mail to us and ask for our Regional FASPS focal, Angel Crespo.

Your response will is highly appreciated in this regard.

Thank you.
