### **SUBJECT: ENDORSEMENT FOR PROMOTION**

**Dear Director Claudio,**

Environmental greetings!

I am writing you this letter as it is my desire to **endorse Mr. Alexander E. Mancio to your department applying for promotion, either to Development Management Office IV or Supervising Ecosystems Management Specialist (SvEMS) position.** Mr. Mancio has shown managerial and leadership competencies in the implementation of Environment Natural Resources (ENR) programs, projects, and activities. He has displayed excellence in applying various management strategies in the protection, conservation, development, and proper use of the province's environment and natural resources. Aside from this, he is a God-fearing person who is a member of large Christian churches in the province of Palawan.

Currently, he is holding a position of Senior Ecosystems Management Specialist and designated as Chief, Regulation and Permitting Section at CENR Office, Taytay, Palawan. He would be an asset as a government employee specifically in your department since he finished a master's degree on Master of Arts in Public Administration and Professional Master's in Tropical Marine Ecosystem Management Program, has undergone technical and supervisory training courses, and has taken various subjects in the school of law.

**In furtherance, respectfully recommend Mr. Alexander E. Mancio for promotion to the above-mentioned position in your department.**

Thank you.

Yours sincerely,
