Only those who will accept to attend the Leadership Workshop shall be eligible to receive the Honorary Doctorate Degree. We wish to request you to send your profile highlighting your contributions and achievements to assist the Planning Committee and the Award Committee.

PARTICIPATION BY ONLINE DISTANCE LEARNING MODE

Because of the effects of Covid-19, some people are still busy trying to catch up in organising their lives and businesses. Such persons may be unable to come to Dubai with us even though they may have wished to do so. If you belong to this category, you have nothing to worry about. We are offering you the opportunity to participate in this Top Executive Leadership Summit by Open Distance Learning. This alternative is still available even as we are conducting the physical seminar in Dubai.

The steps required for this option are as follows:

1. If you accept your nomination to attend the Leadership Seminar and to accept your Honorary Doctorate Degree, you are to send an email to us to indicate your acceptance.
2. You will be required to send your professional profile by e-mail.
3. Pay the participation fee of US\$4,500 for the Leadership Seminar
4. You will receive the Seminar Materials and Feed Back Questions immediately.
5. You will have between one to two weeks to study the materials and respond to the questions.
6. Send your answers as an attachment to the HOD, Continuing Education Programmes by email (info@londongs.co.uk)
7. A Committee at the London Graduate School will review your answers to the Feed Back Questions on the same day your work is received. The committee may interact with you or seek to clarify issues by email, telephone, or WhatsApp in the course of its assessment, if necessary.
8. You will be informed of the Committee's decision the same day.
9. Your Certificates shall be prepared and couriered to you within one week.

So, the Online Distance Learning option is far more convenient, and you do not need to wait to attend the physical seminar before you receive your Master Class participation certificate and your Honorary Doctorate Certificate.

Delegates who participate through online distance learning mode and who respond timely and correctly to all the emailed questions within 15 days of receiving the questions, will receive an additional certificate – the Certified Management Specialist (CMS) with distinction in Time Management from London Graduate School.

I look forward to hearing from you soon. Our esteemed alumni and faculty consider it an honour and privilege to connect and network with you at this life-changing summit.

Yours sincerely,
