Department of Environment and Natural Resources - MIMAROPA

Greetings!

This is Jian from **SuperMap Software Co., Ltd.**, an innovative GIS platform software and service provider. SuperMap is the leading GIS software provider in Asia, offering cost-effective technologies and solutions together with excellent technical support. Our company product line includes a full range of GIS platforms, from Desktop to Mobile and multiple functionalities that can suit various applications.

With this, we would like to offer our software package from Desktop to Cloud with a 3-month free license. Kindly find in the attachment our formal request letter, company profile, and latest company brochure for your perusal.

To further discuss what SuperMap can offer, we can arrange a technical demonstration at your most convenient time either virtually or personally and we will demonstrate what opportunities await you and your company. We look forward to a mutually rewarding business relationship with your company soon.

Thank you and I look forward to hearing from you!

Best regards,

Jian
