We cordially invite you to the face-to-face Year-End Assessment and Planning Workshop on 15 -16 November, 2022, venue to be announced later.

The Workshop aims to achieve the following objectives: (i) evaluate project progress to-date and identify remaining activities and commitments for the year; (ii) prepare and present the 2022 Annual Progress Report; (iii) identify slippages, implementation constraints and measures to address these; (iv) confirm remaining end-of-project targets with indicative (annual) timeframes; (v) formulate detailed activities, interim indicators, and annual targets for each component of the Project; and (vi) draft 2023 Annual Plan with proposed budget requirements.

Given the need to finalize the Workshop results, we would like to invite the BD Corridor Regional Focal Person, Regional Planning Staff, and Corridor Project Management Unit Staff of EMBC and MBC to extend their stay until 19 November 2022.
