Dear **Partner Agencies, Offices, and LGUs/Sir/Madam:**

Greetings from the Department of Information and Communications Technology Region IV-B!

With the increasing threats and attacks in cyberspace, DICT MIMAROPA has determined the need to reinforce the digital security of our partner's critical information infrastructure through professional development of its personnel.

This initiative is to ensure the protection of our data infostructures and digital assets. In this regard, we are extending our invitation to your organization/institution to join us in this online Cybersecurity capability development training. Successfully trained participants will be equipped to serve as your office's official Cybersecurity point persons with whom the DICT can get in touch for any future cyber-related training or concerns.

Training: **Foundations of Computer Emergency Response Team (CERT) Operations**
Register in advance for this webinar: <https://bit.ly/R4CERTNovember>

The participants are requested to fill out the registration link **on or before November 7, 2022**. For the details of the training, please find the attached signed letter invitation by our Regional Director.

Sincerely,

DICT R4B (MIMAROPA) Cybersecurity Team

Cybersecurity Bureau R4B Team
DICT MIMAROPA Regional Operation Office
Kumintang Ibaba, Batangas City
