Sir / Ma'am,

Good afternoon.

The DENR's Policy and Planning Service - Policy Studies Division (PPS-PSD) will be holding the Consultative Workshop on the Development of the Environment and Natural Resources (ENR) Asset Management Manual on November 7-10, 2022 at Widus Hotel, Clark, Pampanga. The conduct of the activity is in line with DENR Administrative Order (DAO) No. 2020-09 entitled "Guidelines on the Management of Cancelled or Terminated, Expiring, and Expired Tenurial Instruments," specifically Section 11 thereof which provides for the development of the ENR Asset Management Manual. The workshop will officially start on **November 8, 2022**.

The objectives of the activity are as follows:

1. Establish the protocols or step-by-step procedures on the management of assets and improvements covered by cancelled or terminated, expiring, and expired tenurial instruments.
2. Formulate the system of valuation of improvements covered by cancelled or terminated, expiring, and expired tenurial instruments issued over forestland, protected areas, foreshore areas, patrimonial properties, and mining areas.
3. Develop the forms/supporting documents necessary in the implementation of the asset management activity.

In this regard, we wish to invite you to the said event. Attached is a copy of the signed Memo from the Director, PPS dated October 26, 2022, for your reference. Kindly accomplish the attached Participant's Profile and submit to us on or before October 28, 2022.

Please acknowledge receipt of this email.

Thank you very much.
