II. Consultation Mechanics

A. Simultaneous Breakout Sessions

1. The simultaneous breakout sessions will begin with a brief presentation of the Sectoral Committee Secretaries covering the initial assessment and challenges, strategies, and priority programs and projects per sector/sub-sector.
2. This will be followed by a 15-minute talk/discussion of each of the identified panelists per sector/sub-sector.
3. The session will then proceed to a Group Workshop, where the Secretariat will present a series of questions relevant to the sector/sub-sector (Please see Section III. Guide Questions).
 - a. Participants will be given ten minutes to respond to the questions or provide inputs specific to their sectors of concern through the use of MetaCards.
 - b. Participants are also encouraged to accomplish the following online survey to submit their inputs and share related statistics and information.

Link to Online Survey: <https://tinyurl.com/594866ah>

4. Each group shall designate a Group Rapporteur to present the workshop outputs during plenary session 2.
5. NEDA MIMAROPA will facilitate the group workshops and serve as documenter.

B. Plenary Session 2

1. Group rapporteurs shall be given 15 minutes each to present the group outputs using the template provided by the Secretariat.
2. The plenary session will then proceed to a Facilitated Open Forum wherein the participants may raise questions/inputs/concerns in any of the sectors of concern (up to two questions per participant only).
