Subject: Request for the completion of workshop output for *the National Urban Green Spaces Action Plan for 2023-2030*

Dear **Mayor Morillo:**

This is to extend our gratitude for the cooperation given by your representatives to the recently concluded Learning Collaboration Hub for the National Urban Green Spaces Action Plan (NUGSAP) for 2023-2030. The NUGSAP aims to develop a clear plan and approach on how to implement Urban Green Spaces (UGS) in the country. This incorporates the setting down of the final priorities of the strategy; preparing the urban green spaces strategic map; and defining the ways and means to implement the priorities and goals. It also provides an opportunity to reflect on the UGS framework and clarifies objectives to set forth programs, plans, and activities to downscale and implement UGS. It builds on consensus and creates shared responsibility among key stakeholders.

In view thereof, to generate the National Urban Green Spaces Action Plan for 2023-2030, we are requesting for the completion and submission of the workshop output. Attached is the NUGSAP workshop output file and the general instruction including the [powerpoint presentations](#) and [Zoom recordings](#) during the three (3) day workshop for reference. Kindly submit the completely filled out workshop output on or before **November 10, 2022**.

For any questions or clarifications, you may coordinate with Project Associate, **Ms. Khristine Hope Porciuncula** (khporciuncula@gmail.com) or the DENR CCS through **Ms. Joan Frances Flores** (jfflores@denr.gov.ph) and **Mr. Ronnel Andrew Noprada** (ramnoprada@denr.gov.ph) or through our office landline at 8928-1194 and email address ccs@denr.gov.ph.

We are hoping for your positive response regarding this matter. Thank you for your usual support and cooperation.

Very truly yours,

ELENIDA DEL ROSARIO - BASUG
Director, DENR Climate Change Service and
Director, DENR Gender and Development
