Dear Sir / Madam:

Greetings!

The UPLB College of Forestry and Natural Resources will hold its Alumni Homecoming on 07 October 2022, with the theme ***Pagpapasigla ng Sektor ng Panggugubat sa Kasalukuyang Pandemya***. One of the homecoming activities is the Technical Forum which is being organized by the Forestry Development Center. It will be held on the morning of 07 October 2022.

We invited **For. Tirso P. Parian Jr.**, Director of the Forest Management Bureau, DENR, to speak on the State of the Philippine Forests. We are also inviting three other discussants from the LGU, CBFM PO and private sector to present their own forest management experiences.

We would like to invite you and your staff to join us in the Technical Forum to be held at the CFNR Nicolas P. Lansigan Auditorium from 9:30 am to 12:00 nn and live streamed via Zoom and Facebook (UPLB College of Forestry and Natural Resources). If you wish to attend via Zoom, kindly register at this link <https://bit.ly/CFNRATechForum>. Attached is the program and pubmat for your reference.

Thank you very much and we look forward to a fruitful forum.
