September 29, 2022

MEMORANDUM

FOR : The CENR Officer
Community Environment and Natural Resources Office
Roxas, Palawan

FROM : The Undersigned

SUBJECT : **REPORT ON THE VEHICULAR ACCIDENT OF
CENRO-ROXAS MGB EMBEDDED PERSONNEL AND
EMB EnMO PERSONNEL IN BRGY. DUMARAO,
MUNICIPALITY OF ROXAS, PALAWAN**

Background Information

On 20th to 24th September, 2022, the Undersigned together with EMB EnMO Mark Joseph Gregas, is scheduled to conduct inspection on the Residual Containment Area located in Brgy. Tinintinan, and mining monitoring activities in the Municipality of Dumarao and Araceli, Palawan.

Findings and Observation

1. EnMO Mr. Gregas and the Undersigned planned to conduct mining monitoring activities and inspect the Residual Containment Area located in Brgy. Tinintinan, Araceli.
2. Unfortunately, the undersigned and Mr. Gregas were caught in a vehicular accident in Brgy. Dumarao, Roxas, Palawan on 20th September, 2022.
3. Mr. Gregas who was driving the motorcycle at 40 km/hr lost control of the vehicle due to the scattered loose gravel in the national highway located in front of the Motorpool of Yurich Builders and Construction in Brgy. Dumarao. It is important to state that it was not raining in the morning the time of the incident.

Email address: cenroroxaspalawan@denr.gov.ph

4. The undersigned and Mr. Gregas sustained multiple minor abrasions (Photo 3 to 5).
5. RHU Dumarán treated the sustained wounds and recommended injection of Tetanus Toxoid (Annex 1 and 2).
6. The team then cut their scheduled monitoring short to seek medical treatment in Roxas Medicare Hospital located in Brgy. New Barbacan, Roxas, Palawan on the afternoon of 22nd September 2022.
7. The undersigned and EMB EnMO Mr. Gregas then took an x-ray examination on 23rd September 2022, to be properly diagnose if there are sustained fracture or dislocation.
8. The undersigned requested x-ray examination on the left knee while Mr. Gregas requested examination on the right shoulder.
9. The result of the examination is claimed on Tuesday 27 September, 2022. Both examination taken shows no evident fracture or dislocation seen in the views taken (Annex 4 and 6).
10. The medical expenses alongside the prescribed medications were shouldered by the Yurich Builders and Construction

FINDINGS AND RECOMMENDATIONS

1. The loose gravel scattered in the National Highway in front the Motorpool of Yurich Builders and Construction posed dangerous driving conditions. In such, Yurich Construction is therefore liable in the vehicular accident.
2. Yurich Construction must also disclose its valid source of SAG materials for its ongoing construction of the road widening projects in the Municipality of Roxas. A Cease and Desist Order has been issued dated 29 July 2022 to the company for extracting Sand and Gravel materials without pertinent permits in Brgy. Nicanor Zabala and Brgy. Dumarao, Roxas, Palawan (Annex 7).

July 29, 2022

CEASE AND DESIST ORDER

Mr. Bernardo Go Jr.
Yurich Builders and Construction
Roxas, Palawan

Sir:

This refers to the recent investigation conducted by the MGB personnel together with PCSD Staff on 14 July 2022.

The result of the investigation confirms you extracted sand and gravel materials in Barangay Nicanor Zabala and Barangay Dumarao. Thus, the said extraction of materials without necessary permit is in violation of Sec. 103 of Republic Act 7942, otherwise known as the Philippine Mining Act of 1995, which provides that:

"Section 103. Theft of Minerals. - Any person extracting minerals and disposing the same without a mining agreement, lease, permit, license, or steals minerals or ores or the products thereof from mines or mills or processing plants shall, conviction, be imprisoned from six (6) months to six (6) years or pay a fine from Ten thousand pesos (P10,000.00) to Twenty thousand pesos (P20,000.00), or both, at the discretion of the appropriate court. In addition, he shall be liable to pay damages and compensation for the minerals removed, extracted, and disposed of. In the case of associations, partnerships, or corporations, the president and each of the directors thereof shall be responsible for the acts committed by such association, corporation, or partnership."

Furthermore, the materials being transported to the national Highway for the purpose of road concreting, the same should be covered by a valid **Delivery Receipt (DR)**. Absence of a DR during the transport of materials shall be considered as *prima facie* evidence of illegal mining pursuant to Section 53 of the RA No. 7942.

In view thereof, you are advised to immediately **CEASE AND DESIST** from further extraction of materials at the Municipality of Roxas, Palawan, without first securing the necessary mining permit from concerned government agency.
