**SUBJECT: REQUESTING FOR PERMANENT AND ALTERNATE MEMBER OF**  
**BACO-CALAPAN CITY-NAUJAN (BCN) AIRSHED GOVERNING**  
**BOARD**

**DATE:**

The Environmental Management Bureau MIMAROPA Region extends its deepest appreciation to your good office for being a warm and consistent partner in the effective implementation of environmental laws in the MIMAROPA Region.

For many years, the Department of Environment and Natural Resources (DENR) MIMAROPA has been extending its unwavering support to the mandates of EMB, especially in the establishment and operationalization of the Baco-Calapan City-Naujan (BCN) Airshed in 2006 by virtue of the Department of Environment and Natural Resources (DENR) Administrative Order No. 2006-02.

As one of the key members of the BCN Airshed Governing Board, your good office has contributed to the various ambient air quality monitoring activities and other environmental efforts towards the improvement of air quality within the airshed.

Section 3 of DAO 2006-02 states that the Regional Executive Director of DENR MIMAROPA shall serve as the official member of the Governing Board. However, this Office recognizes the many duties and responsibilities bestowed upon the Regional Executive Director. At times, these engagements may be held simultaneously which could leave other commitments unrepresented.

To ensure that the BCN Airshed and its Governing Board are continuously represented and operationalized, this Office is respectfully requesting for the provision of a permanent and an alternate member from your good office. Your designated permanent and alternate member shall be authorized to approve and sign resolutions on your behalf.

Rest assured that the decisions and other undertakings of the Governing Board shall be appropriately consulted and implemented in the entire operationalization of the BCN Airshed.

Your positive response to this request will be highly appreciated.

Sincerely yours,

**JOE AMIL M. SALINO**
