Dear Dir. Bernardino,

Pilipinas Shell Petroleum Corporation - Trading & Supply Philippines would like to invite you to the Regional Tier 3 Exercise, which will be held at Shangri-La at the Fort, 30th Street, corner 5th Avenue, Taguig, Metro Manila, Philippines, from October 11th to 13th, 2022, 0830H to 1700H.

The exercise aims to put Shell's ability to respond to a large-scale incident to the test, as well as to collaborate with government officials in providing an effective, robust response to a spill in the Philippines.

In line with that, we are requesting your organization's participation in this exercise by nominating participants to fill any of the following roles:

- ☒ Role players who will be directly involved in the oil spill exercise.
- ☐ Participant in the Observer Program to witness how Shell will be structured to effectively manage a large-scale spill.

On the first day of the event (October 11), a briefing will be held to align participants' expectations.

We value your presence at the event and would like to receive confirmation of your nominated participants' names, email addresses, and contact information on or by September 23, 2022.

If you need any additional information about this exercise or have any questions, please contact Ms. Jemen Pargas (+63 917 803 8579).

Thank you and we look forward to your participation.

Sincerely,

Dina Macaraig
