

**34th MEETING OF THE TASK FORCE BUILD BACK BETTER  
(TFBBB)**

**May 19, 2022 | 9:00 AM via Zoom Platform**

**SUMMARY OF AGREEMENTS/ACTIONS NEEDED**

***Updates/Accomplishments on the KRAs Implementation***

**Update on Geohazard Assessment conducted for the Proposed Resettlement/Relocation sites for Siargao Islands (SIPLAS) and Dinagat Islands- affected houses/families**

- DENR Caraga to present in the next meeting, the SIPLAS overlaid maps, with the (a) land classification; (b) result of geohazard assessment; and the (c) result of rapid biodiversity assessment, as would be discussed too with DHSUD.
- TFBBB Secretariat to coordinate with DOST PAGASA and PHIVOLCS and request for the earthquake, storm surge, and tsunami hazard assessment in the identified settlement sites in SIPLAS.

**Updates on Resettlement in Siargao**

- DENR Caraga to review the delineation and demarcation in SIPLAS, and make adjustments in the land use and zoning for the long term. Carrying capacity study should be conducted for the whole island aside from the study conducted in the tourism areas in SIPLAS

**Updates on other Plans and Development**

- Plans and development being pursued in TFBBB Region VIII, Region VII and CARAGA | Siargao for Jaime Ongpin / Philip Morris Tobacco Corporation assistance.
- DPWH NCR continuing plan for the dredging of the Marikina River Basin
- DENR CARAGA to consider studying the excision of land within SIPLAS through an act of congress to reclassify areas, based on existing uses.

***Other Matters***

- KRA Leads, and TFBBB regional chairpersons are reminded to submit periodic and monthly reports to the TFBBB National Secretariat, every 5th day of the ensuing month; while January to April report in full.
- Ensure activities under TFBBB are included in the 2023 Budget Proposals.
- TFBBB next meeting in June 2022 to be announced.
