Dear PENRO Cayatoc,

Good day!

Relative to your letter reply dated 08/31/2022, a copy of PENRO memorandum dated 06/07/2022 was issued to CENRO Roxas pertaining to the request for survey authority in favor of Lot 163, PLS 232. It was stated thereto that survey authority cannot be recommended due to technical concerns.

Per verification with CENRO Roxas, referring to their letter dated 08/08/2022 herein attached, another report was already emailed to your office last 07/11/2022 in response to your findings and memo dated 06/07/2022.

With the reply from CENRO Roxas since 07/11/2022 regarding your concern, we would like to follow-up the approval for the survey authority over the above mentioned lot.

We do hope that since CENRO Roxas was able to sent their reply to your office, this will expedite the issuance of the survey authority. We would like to reiterate that the request has been pending for a year already.

Thank you and keep safe!
