Dear Sir/Ma'am:

This refers to the memo we have received from your Office (copy attached) regarding the AtoN Project which was included in the MIMAROPA Budget Proposal for FY 2023 under Tier 2.

We would like to be clarified if this was favorably considered by the DBM for FY 2023 budget. FASPS has also proposed the inclusion of the AtoN project for FY 2023 under Tier 2, however, it was informed that the project was not considered by the DBM due to lack of needed project documents.

FASPS will be coordinating with the PCSDS regarding the necessary documents for possible reconsideration in the next year's budget proposal.

Thank you!
