FROM : The Director

SUBJECT : **INVITATION TO THE PRESENTATION OF THE RESULTS OF
THE STUDY ON CARRYING CAPACITY OF CORON,
PALAWAN**

In 2021, the Ecosystems Research and Development Bureau (ERDB) conducted a study titled, "Carrying Capacity of Coron, Palawan" which aimed to determine the number of tourists that may be allowed in identified areas, number of population who may be allowed to occupy and/or use permissible areas, number of structures, infrastructures, and facilities, and determine the biophysical attributes of various tourist destinations in Coron.

In relation to this, the undersigned would like to invite you or your representative and other concerned stakeholders including the PENRO and CENRO to the presentation of the results of the study to be held on 22 September 2022 (Thursday) at the Municipal Office of Coron.

Should you have any concerns or questions, you may contact Ms. Jamella M. De Castro at 0917-8817208 (mobile) or through telephone numbers (049)536-2269/2229 local 209/311 and through e-mail at uerd.erdb@gmail.com.

For your information and consideration, please.
