A. Call to Order

The Secretariat started the meeting with a short prayer at around 2:33 pm. Ms. Tupasi introduced and acknowledged the presence of each governing board member and other attendees. Engr. Estorque recognized the presence of everyone and declared that since only ten (10) members are present, the meeting will only be considered as special meeting. He acted as chair for this meeting in the absence of the EMB MIMAROPA Regional Director.

B. Presentation and Approval of the Agenda

1. Review and approval of the previous minutes
2. Presentation of accomplishments and water quality status
3. Updates on the STP-Sabang and Proposed STP -White Beach

**SABANG BAY WATER QUALITY MANAGEMENT AREA
GOVERNING BOARD**

4. Update on the number of establishments and other discharge points that are connected to the STP

5. Status of clearance and permits of commercial establishments within WQMA

6. Presentation of WQMA activities for the improvement of water quality of Sabang Bay

7. Other Matters

The agenda were approved as presented.

C. Review and Approval of the Minutes of the Previous Meeting

- The minutes of the 3rd quarter governing board meeting was presented but since there is no quorum, the body could not approve.

D. Presentation of Accomplishments and Water Quality Status

- The SBWQMA Secretariat showed the accomplishments of the WQMA based on the action plan.

TARGET	ACCOMPLISHMENT
Map of Establishments within WQMA using ArcGIS	The map is presented to the board (see attached)
Study on Pollution Load	Initial Data on Establishments within WQMA is presented (see attached)
Status of Compliances of Establishments within WQMA	Power (BI) Business Intelligence is shown

- The Chair asked about the stretch of Timbugan Creek. The SB WQMA Focal Person answered that the whole stretch of Timbugan Creek is not yet mapped. Plans to do ground validation has been delayed due to quarantine restrictions. Timbugan Creek will serve as the catchment of the outfall of the proposed STP in San Isidro.
- As the secretariat presented the water quality status and the maps, NRO MIMAROPA Ms. Lanuza said that there is no Puerto Galera Bay in the database. MENRO Yap clarifies that Muelle Bay is part of the entire Puerto Galera Bay, and Muelle Bay is only in front of Pier. Puerto Galera Bay stretches from the lighthouse going to Muelle Bay. The Secretariat then requested MENRO Yap to provide maps for proper delineation of Muelle Bay and Puerto Galera Bay.
- Further, the accomplished map and plotted coordinates of sampling points of Muelle Bay, San Isidro Bay, and Sabang Bay using Arc GIS software were presented. Additional information was provided on Varadero Bay which has ongoing waterbody classification and the unclassified Minolo Bay.

E. Updates on the STP Sabang and Proposed STP-White Beach

Matter / Issue / Concern	Response
1. Status of STP: Operational or not (NRO MIMAROPA)	<p>MENRO Joan Yap, they have minor treatment in the facility, they conducted dry run for 28,000cu.m</p> <p>The Chair, Engr. Estoque, added that the delay is due to the processing of necessary of documents and fine-tuning of the wastewater facility to work properly. Once they passed the GES it will be turned over to the LGU, it is still under the supervision of DPWH.</p>
2. Timeline of STP (EMB MIMAROPA)	MENRO Joan Yap said that the STP is still ongoing fine-tuning
3. Invite Contractors in the Next Meeting (MENRO Yap)	The Chair agreed that the Secretariat will send invitation to the contractors to present timeline of STP in Sabang
4. STP for San Isidro (EMB MIMAROPA) Project Cost and Timeline (NRO MIMAROPA)	MENRO Yap answered that the timeline for San Isidro (White Beach) was delayed. It started for April 15 but has ongoing ECC application for the construction of STP in San Isidro. They have yet to submit a clear copy of the plans of construction of STP as part of their requirements. The MENRO cited that it should be finish in 2 years' time, but they adjusted the calendar due to pandemic restrictions and the project will cost around Php200 million.

F. Update on the number of establishments and other discharge points that are connected to the STP

- MENRO Joan Yap said that there were no additional for 30 establishment that was already connected in the STP. In addition, the MENRO said that the tourism in Puerto Galera is not yet fully operational and that all who wished to enter the municipality is required of a negative RT PCR test.
- NRO MIMAROPA Ms. Lanuza ask for the duration of validity EMB Discharge Permit. EMB MIMAROPA Chair Engr. Estorque said that DP is valid for 1 year only but if the firm has a good environmental standing, this can be given DP with 5-yr validity.
- The Secretariat asked MENRO Yap if the Three D's Malabanan-Ilagan Siphoning service has permit in the municipal office of Puerto Galera. MENRO Yap answered that this has to be confirmed with the licensing office first.
