CESO IV, Regional Executive Director

Dear Ma'am,

A blessed day to you.

Can we request for an update regarding the above mention case number, it is for the wingvan with plate number AWA 6669 loaded with 480 sacks of charcoal. Apprehended in Calapan City Port, Brgy. San Antonio, Calapan City.

We wish and hope for your good office to release the cash bond held in lieu of releasing our truck van. Due to the pandemic, our family was hit financially and economically. It would be of great help to us and to my wife's medication if the said cash bond worth three hundred seventy five thousand pesos (375,000) would be released by your office.

We would greatly appreciate for any response regarding this matter.

Respectfully yours,

Elorde Glenn Torcuato Galvez
