Call for Participants — Online Training Seminars in Applied Statistics October 2022

The University of the Philippines (UP) School of Statistics, in collaboration with the University of the Philippines Statistical Center Research Foundation, Inc. (UPSCRFI), is pleased to announce our online training seminars this October 2022.

- Basic Statistics with Exploratory Data Analysis
 - 19–21 October 2022
 - 9:00 AM–12:00 NN and 1:30–4:30 PM
- Introduction to R and Data Management Using the Tidyverse Ecosystem
 - 26–28 October 2022
 - 9:00 AM–12:00 NN and 1:30–4:30 PM

The two modules aim to equip participants with the foundation in understanding Statistics, and with the basics in using R, one of the most popular platforms in doing statistical analysis. Details of the training seminars are attached in this letter for your reference.

Faculty members of the UP School of Statistics with wide-ranging consulting and research experience will serve as resource persons. Certificate of completion will be awarded to participants upon successful completion of a module.

The training seminar fee for each module per participant is Php 5,000. Interested individuals and groups may register until 12 October 2022 using this link: <https://forms.gle/qmjXQFzVUUVN9xHu8>. Full payment shall be made one week before the start of the training seminar and payments are non-refundable for no show participants. Discounted rates are available for individuals who will register for the two modules, and for groups of at least 10 participants. Guidelines on the discounted rates are attached in this letter for your reference.

Payment details will be provided after accomplishing the registration form.

Thank you very much. We look forward to seeing you in one of our training seminars!

Yours sincerely,
