Greetings!

We would like to follow up on the DENR reply to the attached letter regarding the reclamation projects. It was discussed during the 2nd quarter MRTC Meeting that DENR requires the proponent to secure a certification from DOT. May we request the DENR to brief us on your guidelines and policies requiring the issuance of Certificate to pursue sustainable development.

Your office can reach me at (0917) 502-0869.

Thank you, and best regards.
