Dear All,

Greetings from the Land Management Bureau!

The Land Management Bureau (LMB) will be conducting a **Three (3) Day Field Training** on **Global Navigational Satellite System - Real Time Cinematic (GNSS-RTK) Operations and Data Processing Workshop Batch 2** on October 10-12, 2022, to be held in Quezon City.

In connection with this, may we request the participation of the following:

1. Chief, Surveys and Mapping Division (SMD) or Representative; and
2. (1) Technical Personnel, preferably Geodetic Engineer

The said training will be registered in the Professional Regulation Commission (PRC)- Continuing Professional Development Accreditation System (CPDAS) — Council of Geodetic Engineering to earn CPD points. It will enhance the knowledge and skills of the personnel in the techniques on field data acquisition using the modern surveying equipment/instrument (GNSS- RTK) and data processing with map preparation.

Furthermore, we would like to request that participants **must** register on the Google Form below on or before October 4, 2022, this will also serve as the confirmation of the participants:
