Good day, DENR colleagues!

As an agreement during the High-Level Policy Consultation on Biodiversity Conservation that was conducted last August 30-September 2, 2022, the Regional Offices will submit additional comments and suggestions on the draft Department Administrative Orders: **a) on the guidelines on the imposition of administrative fines and penalties for violations of the NIPAS Act, as amended, including the assessment of compensation for damages** and **b) on the provisional SAPA** by September 13, 2022. As of today, we are still waiting for the inputs of other Regional Offices.

In line with this, may we get an update on this and send it to us **on or before October 6, 2022.**

For your appropriate action.

Thank you very much.
