RESOLUTION NO. 2022-001

**RESOLUTION ADOPTING AGREEMENTS MADE AS STIPULATED IN THE MINUTES OF
THE PROVINCIAL MULTI-SECTORAL FOREST PROTECTION COMMITTEE (PMFPC)
MEETING HELD ON JUNE 14, 2022 AT PENR OFFICE FUNCTION HALL, BOAC,
MARINDUQUE**

WHEREAS, during the PMFPC meeting the existing Memorandum of Agreement was reviewed. It was suggested that validity of the MOA should be specified in Article V of the said MOA.

WHEREAS, the LGU is also implementing infrastructure projects thus it should be stipulated in the MOA their responsibility to implement the project with utmost respect to the environment and ensure that the design of the road projects should always consider the least number of trees to be affected.

WHEREAS, there are few members of the Committee who have not yet affixed their signature in the MOA, hence, it is agreed to recognize the use of the digital signature as per guidelines issued by the DICT.

WHEREAS, in order to cascade the newly issued laws, rules and regulation of the DENR, it is a must to inform the members of Committee and to furnish them the copy through email to ensure uniform and standard policy implementation with regards to natural resources utilization and forest protection.

NOW, THEREFORE, it is hereby **RESOLVED** to adopt and implement the following agreements:

1. To include in Article V that the signed MOA will be valid up to 5 years and shall be reviewed/renewed after five (5) years from the date of signing;
2. To add additional paragraph on the MOA stipulating the responsibility of the LGUs to implement the infrastructure project with utmost respect to the environment and ensure that the design of the road projects should always consider the least number of trees to be affected;
3. To recognize the authenticity of digital signature and to affix the same to any documents and agreements in case the member is not available during the MOA signing;
4. That the DENR should always furnish the members of the Committee with the newly issued laws, rules and regulation with regards to forest protection and natural resources utilization.

ADOPTED: June 20, 2022 at Boac, Marinduque.

TCP for trees posing danger to property and human lives in public places2. TCP for trees within public places3. TCP for planted trees not covered by a registered plantation4. Issuance of Bamboo Plantation Registration
	<p>Mr. Ruiz Selva of the DAR asked about the trees that are damaged by typhoon, if there is a need to secure permit from the DENR</p>	<p>For. Mercado answered that based on the Memorandum from the Secretary dated March 02, 2022 entitled “Partial Lifting of the suspension from the issuance of Wood Recovery Permits to cover the retrieval and disposition of uprooted and typhoon/fire damaged trees” the DENR will issue</p>

	<p>MACEC asked for clarification if their planted Narra and Bamboo in Brgy. Capayang, Mogpog 2 years ago need to be registered.</p> <ul style="list-style-type: none">● Trimming of Trees● Trees affected by Road Projects of different Government Agencies<ul style="list-style-type: none">- Earth-balling of Trees- Planning Stage for Infrastructure Projects (DPWH)	<p>recovery permit to utilize the damaged trees for the period of three months after the onslaught of the typhoon or fire.</p> <p>-The authority for the issuance of Wood Recovery Permit for typhoon damaged trees was delegated to PENRO Level for volume of trees not greater than 15 cu.m. per Memorandum from the Secretary dated March 02, 2022.</p> <p>-The DENR staff also need to conduct an inspection to make sure that the tree is damaged or intentionally cut.</p> <p>-Only trees intended for harvesting are needed to be registered and secure a Private Tree Plantation Ownership. Planted trees intended for protection need not to be registered.</p> <p>-The Monitoring and Enforcement will conduct inspection and investigation to verify the reported trees.</p> <p>-Trimming of branches is allowed as long as it does not compromise the ability of the tree to live and have a valid reason for trimming.</p> <p>-Trees below 10cm in diameter are recommended for earth-balling as well as mangrove species since the cutting of it is prohibited under RA 7161.</p> <p>-Re-alignment of proposed road project in order to exclude big centennial trees in the affected trees, inventory of trees should take place before the planning stage.</p>
--	--	--

	<p>Engr. Jarabe clarified if it is possible for a project to be re-aligned in order to save or limit the cutting of trees</p> <ul style="list-style-type: none">- DPWH Representative Engr. Jerson Montera proposed that in order to fast track the inventory of affected trees, they will be the one who will conduct geotagging of trees and the PENRO staff will just validate it● Strengthening our campaign to combat illegal ENR activities through Communication, Education and Public Awareness (CEPA)- Engr. Jhon Elbert Garay suggested that IEC should be conducted and this newly issued laws, rules and regulations should be cascaded to the public		<p>-Engr. Montera stated that since it is National Road it cannot be re-aligned but if it is by-pass road it can be re-aligned.</p> <p>-automatic the affected trees will be turned-over to the DENR</p> <p>-Because the PENRO should conduct proper inventory, identification, measurement and actual ground validation and not geotagging of trees only, the proposal was denied</p> <p>-DENR will provide IEC materials regarding cutting permit or other matters</p> <p>-PENRO Diaz reiterated that one of the reasons for the delay in the issuance of the cutting permit is the submission of incomplete requirements.</p>
<p>Agenda 2: Focus Group discussion for the possible revision of the Memorandum of Agreement signed in August 2021</p>	<ul style="list-style-type: none">● Comment on the Content of the MOA<ul style="list-style-type: none">- Engr. Jarabe of the PG-ENRO suggested the inclusion of LGU in the clause regarding Executive Order No. 194 of 1994 (Ensure that construction of infrastructure projects will not adversely affect the natural resources and biodiversity in the area		<p>-PENRO Diaz noted the suggestion and said that will be amended through a resolution.</p>

	<ul style="list-style-type: none">● Clarification on the Validity of Memorandum of Agreement (MOA)<ul style="list-style-type: none">- Ms. Mendoza representative of the DepEd clarify the validity or effectivity of the signed MOA since it is not indicated in Article V of the MOA “Effectivity”- Inclusion of the President of Liga ng Barangay to be ex-officio member		<p>-Accordingly, there is no provision under DAO No. 17 series of 1995 with regards to the effectivity of the signed MOA, however it was agreed that the MOA will be revised to include the validity and review of MOA</p> <p>-The Committee agreed that the five years validity of the MOA will be put into context through a resolution.</p> <p>-The suggestion will be part of the resolution but needs approval of the Governor.</p>
Agenda 3: Other Matters	<ul style="list-style-type: none">- Correction of EO 194 series of 1994- Suggestion from DILG representative Mr. Matining that the Municipal Mayors should be included as members of the committee. <p>To wrap up the meeting, OIC-PENR Office Imelda M. Diaz summarized the agreements to be put into context through a resolution;</p> <ol style="list-style-type: none">1. The validity of the MOA should be 5 years and will be reviewed and renewed after the 5th year from the date of signing.2. In case that the head of the agency is not available at the time of the signing of MOA, digital signature will be recognized as the authentic signature of that particular official/officer		<p>-Cited law indicated on page 5 first paragraph should be changed from Executive 194 of 1994 to Executive Order No. 196, series of 1994 (Mandating Government and National Service Agencies to extend full support to ENR-SECAL program).</p> <p>-Since it is Provincial Level the Municipal Mayors should not be included based on the provisions of DAO 17 of 1995</p>

	<div>3. Every time that the DENR issues new laws, rules and regulations with regards to forest protection and natural resource utilization the Committee members will be automatically furnished a copy of issuances</div> <div>4. The next PMFPC meeting will be held on August 23, 2022</div>
