Greetings!

The Geodetic Engineers of the Philippines, Inc. – South Luzon Area will hold its 38th Annual Assembly on November 11 & 12, 2022 at the Novotel Manila Araneta City. The theme "GEODETIC ENGINEERS: DOing its Mission, moviNG for its vision and gOing through its Road Map" was adopted as we pursue our individual and societal purpose and better ourselves accordingly on all aspects, so together we can take part in achieving excellence in our profession.

In our utmost desire to immortalize this event, may we request your office to furnish us a whole page of your message together with your latest 2"x 2" colored photograph not later than Sept. 15, 2022 to supplement the contents of our souvenir magazine. We have attached a copy of the tentative program for your reference.
