**MEMORANDUM**

FOR : The Regional Executive Director

*Attention: The Chief, Surveys and Mapping Division*

THRU : The PENR Officer

FROM : The CENR Officer

**SUBJECT : REQUEST FOR CERTIFIED PRINT OF LC MAP**

On the LC-overlaid cadastral map (please refer to printed part hereto attached as ANNEX "A") furnished this Office for reference on requests for LC confirmation pursuant to DMC 2019-10, Block II of LC Project No. 9-C of LC 2598 which was approved on 01 July 1966 extends to the coasts (as encircled) on the northeast. Plotting thereof using its technical description however shows that its boundary went no further north than half of Lot 890 and extending southeast traversing Lots 891 and 851 all of Cad. 860-D to the east coast as shown in ANNEXES "B and C" hereof.

Foregoing considered, it is requested that we be furnished an authentic print of the LC Map if any shows that the portion encircled in Annex "A" hereof actually is classified agricultural (A/D).

For consideration.
