Dear Mam/Sir

Good day.

I am sending this email to coordinate regarding the request of DENR OSEC to transfer to DENR MIMAROPA the amount of P58.3 M funding/compensation paid by the US Government for damages caused to Tubbataha Reefs Natural Park and World Heritage Site.

I am trying to contact you at the telephone nos. posted on your website but the telephone does not ring.

May I respectfully request a telephone no. where we can reach you to discuss this concern? Thank you very much.

Sincerely yours,

Corina V. Lalaguna
