MGB Regions 1, 2, CAR, 3, 4A, 4B, 5, 6, 7, 8, 10

FROM : **THE UNDERSECRETARY**
Field Operations – Luzon and Visayas and Environment

THE UNDERSECRETARY
Finance, Information Systems and Climate Change

SUBJECT : **INVITATION FOR THE DENR – DOE – CIP WORKSHOP ON BEST PRACTICES FOR OFFSHORE WIND DEVELOPMENT ON 12 SEPTEMBER 2023**

DATE : 6 September 2023

The Copenhagen Infrastructure Partners (CIP), a private organization focused on greenfield renewable energy investments and a global leader in offshore wind, in cooperation with the Department of Energy (DOE), is organizing a hybrid (online and face – to – face) workshop on knowledge transfer, particularly on CIP's decade long experience in deploying offshore wind globally.

Your Offices are instructed to participate in said event which will be held on **12 September 2023, 9AM to 5PM, at the DENR-EMB Air Quality Conference Room A, DENR Compound, Visayas Avenue, Quezon City**. Offices that will participate online may join by the Zoom Conference Meeting ID:

Meeting ID: 992 5185 6847
Passcode: 514181

Your attendance is a must.

ATTY. JUAN MIGUEL T. CUNA

ATTY. ANALIZA REBUELTA-TEH

Let's Go Green!!!

MEMO NO. 2023 - 767

DENR, DOE & CIP Workshop Sep 12th, Manila

Objectives

Key purpose of the workshop is knowledge transfer from CIP's decade long experience in deploying offshore wind globally to DENR. Further, the workshop will kick-start dialogue between DENR and CIP much needed for CIP to keep development progress across its WESCs in San Miguel Bay, Lingyan Bay and Northern Samar.

Program of Activities

Time	Topic	Presenter
09:15 – 09:45	Registration	
09:45 – 10:00	Welcome Remarks	DENR (Usec Cuna)
10:00 – 10:20	Welcome - Agenda, intro by participants and expected outcome	Marina Hsu
10:20 – 10:30	Introduction - Copenhagen Infrastructure Partners ("CIP") in brief - Location of CIP's offshore wind projects (WESCs)	Przemek Lupa
10:30 – 12:00	Best practice offshore wind project consenting - Enablers and obstacles in offshore wind consenting from a developer point of view based on CIP's experiences from Taiwan, Korea, U.S and Europe	Jean Yu Jeppe H. Floor
12:00 – 13:00	Lunch break	
13:00 – 13:45	Development program and DENR touchpoints - Expected timing and nature of CIP requests for inputs and permits enabling surveys and studies	Malene Rahbek
13:45 – 14:30	Environmental management during construction Outline of the environmental regulation guiding CIP's current construction activities of the Changfang & Xidao and Zhong Neng offshore wind projects in Taiwan	Jean Yu
14:30 – 15:00	Development uncertainties in offshore wind - Developer's view on enablers and challenges	Cristina Collantes-Garcia
15:00 – 15:30	Summary and next steps - Summary of today's key points and the path forward	Marina Hsu
15:30 – 15:40	Closing Remarks	DENR (Usec Teh)

Speakers from CIP

<p>Przemek Lupa (physically present) CIP Partner in ASEAN (Singapore-based)</p>  <ul style="list-style-type: none"> • 20 years of experience in energy sector • Specialized in large-scale energy infrastructure development • Extensive experience in Middle East and APAC, incl. the Philippines 	<p>Marina Hsu (physically present) Managing Director of CI Service Company in Taiwan</p>  <ul style="list-style-type: none"> • 14 years of experience in offshore wind development from Taiwan • Specialized in government relations and stakeholder engagement • 6 years working in Danish Trade Council, Taiwan as Senior Commercial Advisor
<p>Jean Yu (physically present) Taiwan-based Consent & Development Director</p>  <ul style="list-style-type: none"> • 6 years of experience in offshore wind consenting and development from Taiwan • 5 years of engineering consultancy experience • M.Sc. in Environmental Engineering 	<p>Jeppe Hjelmsted Floor (participating virtually) Copenhagen-based Consenting Manager</p>  <ul style="list-style-type: none"> • 9 years of experience with permitting offshore projects • Specialized in environmental impact assessments and environmental surveys • 8 years working in the Danish TSO Energinet
<p>Malene Rahbek (participating virtually) Copenhagen-based Consenting Director</p>  <ul style="list-style-type: none"> • 15 years of experience with permitting offshore projects • Specialized in environmental impact assessments and environmental surveys • M.Sc. in Environmental Engineering 	<p>Cristina Collantes-Garcia (physically present) Partner, Romulo Law</p>  <ul style="list-style-type: none"> • 10 years in the practice of Philippine law in the field of energy and M&A law. • Assisted in various dealings with government agencies such as DOE, DENR and LGUs.
