Dear Ma'am/Sir,

To capacitate CSOs in grant preparations and project management, the SGP-7 Project Management Unit is organizing a Project Concept Preparation Workshop for NGOs and POs intending to submit grants for SGP-7 funding. Through this workshop, local POs and community members will receive feedback on the eligibility of their proposals, as well as provide inputs to improve their concepts. We are also inviting representatives from academic institutions, national and regional government agencies, and local governments unit who may be able to provide technical and co-funding assistance to the proponents.

May we invite you and your representative to the **Project Concept Preparation Workshop** for the Calamianes Group of Islands on 19-21 April 2023 in Busuanga Island (the exact venue to be confirmed).

Attached is the program and project concept template for your reference.

Should you have any concerns or confirmation of participation, kindly contact Ms. Gelli Jamaica Felices, Technical Assistant at gelli.felices@sgp7.fpe.ph or +63915 308 1690.

Your attendance is highly appreciated. Thank you!
